**HISTORICAL SOCIETY HOSTS THE MODEL A CAR RESTORERS CLUB  
NATIONAL CHAPTER FOR TOURS AT THE OLD STONE JAIL MUSEUM AND THE  
HOLLAND PAGE PLACE ON SEPTEMBER 21, 2009 AT 9:00 AM IN PALMYRA**

The Fluvanna County Historical Society will host the National Chapter of the Model A Restorers Club for special tours of the Old Stone Jail Museum and the Holland Page Place on Monday morning, September 21 at about 9:00 am.

What is so special about this tour is that all of the participants will be arriving in their restored Model A cars to our historic village. This should be a wonderful photo opportunity for all those interested in vintage cars. The George Washington Chapter of the Mount Vernon Region will be taking the Southside Tour through Palmyra and we are pleased to welcome them. They will be spending many days on their tour seeing the historic sites in Central Virginia. Check their website for their schedule, if you wish to see them on our country roads. Although the museum tours on Sept 21 are open only to the Model A club members, the public is welcome to come out to the Village to greet them and to view their vintage cars.
